Celebrating Mothers

May 9 we celebrated Mothers Day with a Mother Daughter Banquet. Our dining room was filled to capacity with approximately 175 guests. It was truly a great night filled with laughter and smiles.

“Spring Time”

Steve Rumbley
Executive Director

“Spring time” has arrived and it has been a beautiful and busy time of the year. Our grounds continue to show improvements thanks to our groundskeeper, Samuel Foy. Our ducks, geese and goats seem to be more active and continually entertain our residents, staff and guests.

Along with the changes in the weather and activities, we have seen some changes in staff positions and building on campus. I am please to announce that Brad Lowe is now our Director of Food Services and Helen Thornburg is our new Associate Director of Food Services. I expect some positive changes in our food service and believe the residents will be pleased.

The addition of a new building for after school and summer programs for children enrolled at Shepards Way Day School will soon be completed and ready for occupancy. Our architect is currently working on some new plans for independent living that will be announced in the near future.

Cross Road Retirement Community continues to meet the goals of our “mission statement” which is to provide exceptional services and respond to the changing needs of our residents.

Thank you for your confidence and continued support. Your comments and suggestions are always welcome!

The Aumans celebrated 70 years of marriage with a cake! A trip for ice cream will certainly fill the bus! Easter just wouldn't be the same if we didn't color eggs. A special Valentine's dinner for our couples and Encounter Revival Ministries were just a few highlights!
