Celebrating Fathers

“Summer Time”

Steve Rumbley
Executive Director

Summer Time has arrived with a lot of activity and heat. Despite the high temperatures, our residents continue to be engaged and involved in the many activities around our campus and beyond. Some of the favorite activities involve food such as water melon socials, milkshake Monday, ice cream socials, hot dog eating contest, and more. Other activities such as Bingo, Devotional Services, Music Programs, and Exercise Programs have always been very popular with our residents. Bus trips for shopping, eating at a restaurant, Candor for peaches & ice cream, or just a country ride have also been hits with our residents. If you have ideas or talents to share with our residents, please let us know. Our residents enjoy staying busy!

Some changes recently seen around campus include the new “Activity Annex” that has replaced the “General Store”. The Annex has already been used for a number of resident activities and serves as staging area for many of the outdoor activities and exercise programs on campus. The putt-putt area, garden area, new shuffle board, corn-hole area, horse shoe area, and fishing pier are all connected to the Activity Annex. Equipment is available for residents and their family members to participate in any of these activities.

Another change on campus is the addition of the After School/Summer Program building that was completed for Shepherd’s Way Day School. This allows for some school aged children to participate in programs on our campus. The older house located next to the Day School is scheduled to be torn down soon in order to provide for the additional parking needed for this operation.

We are currently working with our Architect and committee to provide some new exciting housing options in our Independent Living Area. You will hear more about the next proposed addition to our campus in the Fall of 2017. Thank you for your confidence and continued support. Your comments and suggestions are always welcome.

If you are interested in using the club house, you must call Mamie at 336-629-7811. We need to keep a record of who is using it so there will be no confusion or double bookings.

I would like to remind the Independent Village Residents that we have a locked shredder box at the clubhouse for your convenience.

For information on our one and two bedroom apartments, contact Betty Pate at 336-318-1847 or email at dvs@cross-road.org
