Welcome to Dream Makers

They say a picture is worth a
thousand words, and this one is.
It was Mary's dream to travel the
east coast and see all seven light-
houses! Thanks to our Dream
Maker program, she was able to
live her dream!

Carolyn's dream was to visit the Biltmore House at Christmas. Carolyn stated "It's what I've always wanted to do, and this was a dream come true!"

Jane, a resident in our Memory Care Unit, didn't forget that she loved horses. With the help of Victory Junction, Jane was able to visit with the animals and was once again able to ride.

Her family said "Nothing will ever be able to erase the memories of the day we got to spend with the Mama we thought was gone forever."

Dream Makers mission is to give assistance needed to make real life dreams come true. Meeting this goal will enhance the quality of life of all our residents by making a reality of the dreams our people dare to dream.. It is our goal is to show love, care, and respect for those in the winter of their life. The Dream Makers program turns dreams into reality.

With every new resident that comes to Cross Road, there comes a new dream to make happen. In the past 4 years, we have been able to fulfill close to 45 dreams. Big or small, it is our goal to fulfill every dream that is possible!

Several of our residents had a dream to "See the King of Rock and Roll!"

Opal's dream was to visit the Outer Banks and to go fishing one more time. Opal enjoyed the whole trip because it reminded her of the many trips taken with her late husband.
