THANK YOU VOLUNTEERS!

“Spring”

Steve Rumbley
Executive Director

Spring has arrived and it is a time of renewal and increased activity. A pleasant atmosphere of aliveness seems to have taken over our campus. The sounds of birds, ducks, and geese building nests and making their presence know to those who come near them. Our goats are active and looking for food from anyone who approaches our observation deck at the main pond. The pleasant sound of happy, playing children comes from the playground area of Shepherds Way Day School on our campus.

We are blessed to have a campus at Cross Road Retirement Community that promotes a lifestyle that our residents seem to enjoy. The Highway 64 Bypass project is beginning to make an impact on the East side of our campus. However, once completed with the addition of shrubbery, trees, and border materials, this part of our campus will again be attractive and pleasant for our residents. We appreciate your patience during this time of transition.

Our newest “Villa” is almost completed on campus and offers a few new features and a beautiful setting that will make a positive addition to our campus. We should also begin soon on a few additional independent living apartments on campus. As our community continues to grow, the demand for our services also grows. We continue to look at ways to improve the services at Cross Road and you will see more news in this area over the next few months. As more people discover what Cross Road has to offer, our demand for independent living has grown to a fairly large waiting list. I would encourage individuals who are considering independent living apartments to get on the list as early as possible.

Cross Road Retirement Community is celebrating our 35th Anniversary this year. We admitted our first resident into assisted living on October 17, 1983 and will have our official 35th Anniversary Celebration on Saturday, October 20, 2018. The community is invited to join us for a BBQ lunch and a number of activities on that day. We will be talking about and promoting the 35th Anniversary during the entire year of 2018.

Cross Road received a Gold Safety Award from the Department of Labor at an award luncheon on April 10, 2018. This Gold Award is a good indicator of the positive record we have for Staff Safety and Health in 2017. It is gratifying to work for a company that is also a ministry and truly cares about our residents and staff members.

Thank you for your confidence and continued support. Your comments and suggestions are always welcome!

A Word From Admissions and Marketing

Janet Harllee

Spring has sprung finally. The campus trees are beautiful! Please send me your email address. Would love to add you to our newsletter list. Also, our Activity Director will send you photos of your loved one in activities.

We have immediate openings in our Assisted Living Main & Alzheimer’s Centers. If you have a neighbor, friend, family, or church member who may need our services, call or email me.

Please let me know if your church would like for me to speak to their group. Also, if you are a member of a civic organization, please ask them to call or email me. They can call or email at: 336-610-1214 or admissions@cross-road.org.

Happy Spring! All the trees are blooming and everything is looking pretty in the village.

Just a reminder to village residents: Please clean your lint filter in your dryer after each use. It’s easy to forget! Also, take advantage of the activities and outings. This is a great time to meet your neighbors and make new friends!

For information on our one and two bedroom apartments and villas, you can contact me at 336-318-1847 or email to dvs@cross-road.org.

Happy Birthday

God has given us a "lovely" reason to smile in the Alzheimer's Care Center....SPRING!! And Summer is close behind! It has been a long, hard winter but here are just a few of the things that the Residents and I are looking forward to now that the weather is better.....Taking golf cart & bus rides, seeing the flowers in bloom, tasting home-made ice cream, planting the garden and eating the fresh fruits & vegetables that we grow, wearing Bermuda shorts and sitting in the sunshine on the patio. And we look forward to seeing you too!!!

We invite you to come by and join us for any of our many activities and we'll share a smile (and maybe some ice cream) with you!

A Thought from the Chaplain

Almost every school age child in America knows to dial 911 in a crisis. Not if everything is alright or going good and the day is normal. But in an emergency...when there is a tragedy or danger...that's when you dial 911.

When you are in trouble or need help, I've got another number for you. Psalm 91:1 **He who dwells in the secret place of the Most High shall remain stable and fixed under the shadow of the Almighty."**

Is your heart heavy? Discouraged? Sick of the way you are living? Have you been hurt? Are you tempted beyond what you feel you can handle? Then go to Psalm 91:1. Dial it in. God knows and He's there for you.

But the key is to dwell (or live) in the "secret place" of the Most High. That's your responsibility. To spend time with the Father. Soak in His presence. And then when trials and hard times come...and they will come...you can remain stable and fixed. You can **"be still and know that He is God..."**and that this crisis...this journey...this season...shall pass. Don't fear. Be secure. Where? Under the shadow of the Almighty.

Is all well with your soul? Then God has called you to care. Millions of people are searching right now for God. They need and want His touch. Let God use your hands to dial the number for them. **911**. He will answer. Bear their burden with them. Lead them to the secret place. The place of safety and stability. A place where they can, and will, learn to Hunger and Thirst...for His protection...for His presence...

"Blessed are they who hunger and thirst for Righteousness, for they shall be satisfied." Matthew 5:6
