

## Luau

When the weather warms up and you just want to dip your toes in a refreshing pool, what should you do? Have a Luau of course! That's exactly what our Memory Care Residents did recently. There was sand, sun and grass skirts (some coconuts too!). This was one of the first of our "return to normal" activities throughout our facility and everyone had a ball...a beach ball, that is!

## Where is “Normal”?

**Randy Tedder**  
Executive Director

Don't you love it when your phone rings and you see that it's Cross Road Retirement Community calling you? "What has happened?" goes through your head or "what is changing now?" I get every call that you get, so I am familiar with the notifications also. It is one of the many things that was added when COVID made changes in our normal. Now that the percentages have dropped and vaccines are available, we are making changes to find our way back to "normal". Small steps are required, and we walk before we run. Sometimes undoing is more difficult than you can imagine. I hope you take note of the information when you get a call, and it helps you with decisions you need to make. Whether it is a cookout at the clubhouse or a putt-putt tournament in the parking lot, please celebrate with us as we get back to the best normal that we can.

## Meet our New Human Resources Director

*Corinne Saylor*

We would like to welcome Corinne Saylor to Cross Road as our Human Resources Director. When asked how she likes working here, she replied "I love it! The staff is so friendly and the residents are happy." Well, we are certainly happy that she is now part of our team!

Corinne has been married to Brad Saylor for 19 years. They have a 15 year old son named Braden. They all reside right here in Asheboro.

If you know of someone who would like to apply for a job here at Cross Road Retirement Community, tell them to contact Corinne at 336-629-7811 or email her at [hr@cross-road.org](mailto:hr@cross-road.org).

## Main Center Activities

We have been very busy with fun activities like putt-putt in the parking lot, shopping, birthday parties, and visiting the farm. We also love bus rides that end in a stop for ice cream. We even planted a tree for Arbor Day in the Courtyard! Our staff is great at jumping in to help with these activities and that makes us feel like a community when we all work and play together.

# Memory Care Activities

## Spring Time Activities

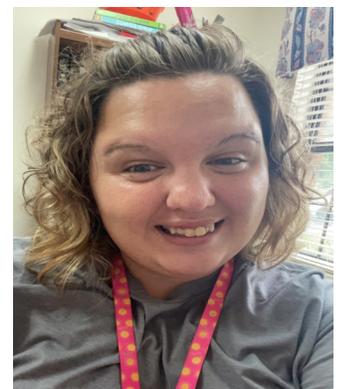

Spring brought with it all kinds of activities that put smiles on the faces of those who reside in our Memory Care. Tomato sandwiches, blowing bubbles, and in-door crafts & games on rainy days are just a few of the things our Residents love to participate in.

The Memory Care has a tribute wall where anyone can buy a leaf to put on the "Tree of Life" to honor someone they love either as a memorial or "in honor of". We ask for a donation of any size and the proceeds will go to benefit the Memory Care. If you have any questions or would like to add a leaf, please contact Anna Lettera, Resident Care Director at 336-629-7811.

We would like to thank Brittany Jordan for stepping in to plan activities for our Memory Care while the Activity Director has been on a health related leave. She has done a wonderful job and the residents have been very busy and happy!

### A Word From the Director of Village Services....

Betty Page

It's good to see residents outside enjoying our two stocked fishing ponds, goats, ducks and all the blessings of nature! It truly is peaceful and relaxing here. We are pet-friendly and a **NO SMOKING** campus.

If you would like information on our efficiency, one and two bedroom apartments, Lakeside Villas and cottages or if you would like to be added to our Wait List, contact me at 336-318-1847 or email me at [dvs@cross-road.org](mailto:dvs@cross-road.org). Have a blessed summer!

### Admissions and Marketing for the Assisted Livings

Karen Kidd

It feels like we should hang an "OPEN" sign on our front door! But word has obviously gotten out because I have been very busy with phone calls, tours, and admitting new residents. It has been wonderful to see new people as they come by to visit or look around at what we have to offer here at Cross Road in the Assisted Living Centers. If you or someone you know needs information about our Assisted Living Main or Memory Care, please contact me at 336-629-7811 or [admissions@cross-road.org](mailto:admissions@cross-road.org).

## A Thought from the Chaplain

**Bernie Raymond**  
Chaplain

*“That our barns may be full, supplying all kinds of produce; that our sheep may bring forth thousands and ten thousands in our fields...*

*Happy are the people who are in such a state; Happy are the people whose God is the Lord!”*

*Psalm 144:13, 15*

When you accepted Jesus Christ as your Savior, you were born again and became a child of God. You were translated out of the kingdom of darkness into the Kingdom of God. Your citizenship is now in Heaven, and in Christ you have become a recipient of Heaven’s vast resources. As a joint-heir with Jesus Christ and an heir of God, you have become a partaker of all that God possesses. You are a blessed person!

God also made a covenant of provision and blessings for His people under the Old Covenant. Once when a Moabite king tried to entice a prophet to curse the Israelites, the prophet responded, “Behold, I have received commandment to bless: and He (God) hath blessed; and I cannot reverse it” (Num. 23:20).

How much more should we be walking in the irreversible blessing of God under the New Covenant, which is a new and better covenant established upon better promises (Heb. 8:6)! To hear some Christians talk, you would think God is in the business of subtracting blessings from people instead of adding blessings unto them. But that is not what the Bible teaches.

God has already blessed us with all spiritual blessings in Heavenly places and with all things that pertain unto life and godliness (Eph. 1:3; 2 Peter 1:3). But we have our part to play too. We must cooperate with God by studying and meditating upon the Word of God, and by being doers of the Word of God in every situation of life, not just when we feel like it.

Blessed, not cursed are the people whose God is the Lord. The inheritance Christ purchased for us at the Cross is a blessing that cannot be reversed.

## Sprucing Up!

Spring is the perfect time to “spruce up” and to make things look fresh again. That’s exactly what we’ve done for our Entrance /Foyer in the Main Center. A new coat of paint and some different furnishings will greet you when you enter the front door.

The verse below graces one of the walls just before you enter the facility. It is a wonderful reminder as to what our mission is here at Cross Road.

**Truly I tell you, whatever you did for one of the least of the Brothers and Sisters of mine, you did for me.**
